

To Whom it may concern,

I am writing this letter as a reference for Jaxon Watt.

I have had the honour to teach Jaxon over 2.5 years, Jaxon has been an excelling student in all topics given. Ranging from Robotics to Cyber Security, he started class with a vast knowledge of electronics and IoT devices.

Jaxon was always a hard worker with a dedicated attitude, Jaxon was always ahead of time and always communicated well to me.

Jaxon's assignment work was very high quality and very indicative of what industry expects. Jaxon was always punctual and on time with all projects and goals set out. Jaxon always had a strong work ethic backed up with skills.

I believe Jaxon will be an asset to any company potentially looking at employing him.

Kind regards,

Cameron.
